Chapter Renews Athletic Traditions

It is with great pleasure that the Concordia University Alumni Association announces the creation of the Varsity Athlete Chapter, a new and dynamic group designed to meet the needs of former varsity athletes.

"There's no doubt that athletes are a different breed and that they reflect differently on their university years," says Paul Chesser, the alumni officer responsible for overseeing the new initiative and a former Stinger football player. "The Varsity Athlete Chapter is a great tool. I have no

doubt that we will be able to bring people back together, recapturing a lot of the fun and excitement of our glory days."

The chapter is run jointly by the Department of Recreation and Athletics and the Alumni Relations Office. A group of volunteers, representing many sports and eras, elected an executive in April. Together these groups have established a framework and chapter objectives. The University and the chapter volunteers are committed to reaching out to as many former varsity athletes as possible, and to preserving and celebrating the illustrious history of the Georgians, Warriors and Stingers.

The executive will run a handful of events each year where friendships can be renewed, new acquaintances are made and old stories get re-told and blown way out of proportion. In addition, the chapter will have the opportunity to influence the organization of established events like the annual Sports Hall of Fame dinner and Homecoming activities.

The chapter's first official event will be a welcome reception on Friday, Oct. 4 at Loyola High School. This Homecoming event will be a wine and cheese social to welcome back all former varsity athletes.

Another chapter initiative is a barbecue lunch, honouring 16 teams celebrating special anniversaries of league championships. This event will be held Saturday, Oct. 5, in the Homecoming tent adjacent to Concordia Stadium prior to the football game between the Stingers and the McGill Redmen. All are welcome.

The success of the Varsity Athlete Chapter and its initiatives depends heavily on the ability to reach as many former athletes as possible. More than 1400 athletics alumni are on our current mailing list. You can help by keeping us up-to-date on your particulars and by helping us reach teammates who are not currently receiving correspondence from Concordia. Pass along contact information to the alumni office at (514) 848-4856 or by e-mail: paul.chesser@concordia.ca.

"A good turnout will make a strong statement about the importance of athletic pride and tradition."

"We hope to have in excess of 150 former athletes in attendance," Chesser says.
